Description

Product Description :

UNIVERSAL VALVE CORE REMOVER /INSTALLER TOOL KIT

?Product Info?

Model/Item No. :

H.C.B-A5012

Country of Origin :

Taiwan

Brand :

H.C.B

Product Specifications /Features :

- * This master tool kit allows you to service valve cores without losing the systems charge.
- * The new unique design offers a locking device that holds the shaft in place while removing or installing the valve core. The remover/installer kit makes removal or insertion much easier especially on the larger R134a valve cores.
- * Saves time and money.
- * This kit allows the user to change the service port valve core while the system is charged. The unique design cuts the usual 1/2-hour procedure time down to about 3 minutes.
- * Kit covers all R12 & R134a system valve cores.

Primary Competitive Advantages :

Well and High Quality Control, Prompt Delivery, New Product, Customer's Design and Logo are Welcome, Competitive Prices, Earth-friendly Products

Sales Method :
Export, Manufacture
Payment Term :
T/T, L/C at Sigh
