Description

DESCRIPTION

REF: H.C.B-A1988

DESCRIPTION:

CONTENTS:

- 1x Basic carrier
- 1x Mount A1
- 1x Thrust piece A2
- 1x Mount B1
- 1x Thrust piece B2

REMARKS:

The timing chain master rivet tool kit is used to rivet the timing chain master link to the timing chain. It consists of a basic carrier, two mounts (A1 and B1) and two thrust pieces (A2 and B2). The carrier is used to hold the master link in place while the mounts and thrust pieces are used to apply pressure to the rivet.

WARNING:

Do not use the tool kit on any other type of metal or material. Only use it on the timing chain master link. Use the tool kit in a clean and dry environment. Do not use the tool kit if the parts are damaged or worn. Use the tool kit according to the instructions.
